

WFC13 Leadership - working to secure new dates

March 18 Update

WFC 13 and AFS leadership are working to secure new dates in 2021 for the 13th World Filtration Congress. We will post updates to the website as information is confirmed and will announce via email blasts and social media posts. We thank you for your patience as we work through this process.

If you have any questions, please feel free to contact AFS Executive Director, Lyn Sholl at Lyn@afssociety.org. Thank you for your continued support and dedication to WFC 13.

On behalf of AFS leadership, we hope that you and your families are safe from this tragedy.
